

The image shows two boxes of FYTO PROGENITOR supplement standing on a grassy lawn. The background is a lush green forest with sunlight filtering through the trees. The box on the left is dark teal, and the box on the right is a lighter green. Both boxes feature the FYTO PROGENITOR logo, a tagline, and a list of ingredients. The boxes are surrounded by various natural elements: a large green leafy plant to the left, a small plant in a pot to the right, and several raspberries and blueberries scattered on the grass in front of the boxes. The overall scene is bright and vibrant, emphasizing the natural and healthy aspects of the product.

## Our Commitment to Quality

We emphasise natural sourcing, ensuring each ingredient is of the highest purity. Our formulation is backed by scientific research, delivering efficacy you can trust.

# The Power of Natural Ingredients

FYTO PROGENITOR harnesses the intricate wisdom of nature. Our unique blend of 13 distinct botanical powerhouses works in harmony to unlock your body's full potential.

# Ingredient Spotlight: Immune & Longevity Boosters

## Rehmannia glutinosa

Supports robust immune function, promotes healthy ageing, and enhances overall vitality. A cornerstone of traditional wellness.

## Gotu Kola (Centella asiatica)

Enhances cognitive function, supports healthy skin regeneration, and contributes to reducing inflammation throughout the body.

## Astragalus membranaceus

Known for its ability to boost immune defence, reduce fatigue, and support long-term cellular health for improved longevity.

## Panax Ginseng (Korean Red)

A powerful adaptogen that boosts energy levels, improves mental clarity, and significantly enhances physical stamina.

# Ingredient Spotlight: Antioxidant & Anti-inflammatory Powerhouses

12

## Turmeric + Black Pepper

The dynamic duo of Curcumin and Piperine offers powerful anti-inflammatory and antioxidant properties, significantly improving joint health and overall well-being.

## Blueberry + Resveratrol

Rich in antioxidants, this combination supports cardiovascular health, protects cells from oxidative stress, and promotes youthful, radiant skin.

## Pomegranate

A super-fruit packed with potent antioxidants, promoting heart health, and offering significant anti-inflammatory benefits to the entire system.

## Astaxanthin

Derived from marine algae, this powerful carotenoid is a potent antioxidant, supporting excellent eye and skin health, and reducing inflammation.

# Ingredient Spotlight: Nutrient & Detox Support

- **Moringa oleifera**

Often called the 'miracle tree', Moringa is incredibly rich in vitamins, minerals, and amino acids. It naturally boosts immunity and supports your body's detoxification processes.

- **Sea Buckthorn**

These vibrant berries are a powerhouse of Vitamin C, antioxidants, and essential fatty acids, making them exceptional for promoting healthy skin and bolstering the immune system.

- **Aloe Vera (Acemannan)**

Renowned for its soothing properties, Aloe Vera supports healthy skin healing, aids digestive function, and contributes to optimal hydration at a cellular level.

# Ingredient Spotlight: Adaptogens & Stress Resilience

## Shiitake Mushroom

More than just a culinary delight, Shiitake mushrooms are celebrated for their ability to enhance immune response and support robust cardiovascular health.

## Ashwagandha

This ancient adaptogenic herb is a natural stress reducer, improving energy levels and significantly enhancing your body's resilience to daily pressures.

# Why Choose FYTO PROGENITOR?
